Municipality of West Elgin

Schedule “A” to By-Law #2023-XX

Policy 3.5 Municipal Investment Policy

Effective Date:

Review Date:

Policy Statement

It is the policy of the Municipality of West Elgin to invest municipal funds in a manner which will provide the highest rate of return with the maximum security while meeting the daily cash flow demands of the municipality and complying with Section 418 of the Ontario Municipal Act 2001, as amended and Ontario Regulation 438/97 Eligible Investments and Related Financial Agreements, as amended.

Purpose

The purpose of this Policy is to establish and maintain practices and procedures, in regards, to investing public funds.

1. Guiding Principles

1.1. Adhere to Statutory Requirements

All investment activities shall comply with the relevant sections of any applicable legislation and related regulations.

1.2. Preservation of Principal

Safety of principal is a primary objective of the Investment Policy. Investments shall be undertaken in a manner that seeks to ensure the preservation of the principal in the overall portfolio.

1.3. Maintenance of Liquidity

Liquidity is measured by the ease with which investments can be converted to cash. The investments shall remain sufficiently liquid to meet all operating or cash flow requirements.

1.4. Competitive Rate of Return

The Municipality’s funds shall be invested to maximize the rate of return, without compromising the legality, security or principal, and liquidity objectives outlined above. Investments are generally limited to relatively low risk securities in anticipation of earning a fair return relative to the assumed risk.

2. Scope

This policy applies to all investments made by the Municipality on its own behalf and on behalf of the West Elgin Community Board of Management and Tri-County Water Board which the Municipality is Operating Authority.

3. Responsibilities

3.1. Authority

All long-term investments for the Municipality are to be authorized by Council. Long-term investments are those with original maturity dates exceeding 365 days.

The authority to invest in short-term investments and to manage and implement the investment program is granted to the CAO/Treasurer who is responsible for ensuring that all Municipal investments conform to this Policy.

3.2. Reporting

The CAO/Treasurer, in accordance with Section 8(1) of O.Reg. 438/97, will submit to Council an annual report on investment activity and returns.

4. Investment – Instruments

4.1. Guaranteed Investment Certificate (GIC)

Investments which are direct obligations of or guaranteed by the Canadian Imperial Bank of Commerce (CIBC) Global Transaction Banking, in particular the CIBC Special Offer GIC.

4.2. ONE-The Public Sector Group of Funds

Money Market Fund and/or High Interest Savings Account (HISA). Surplus municipal funds, as determined by the CAO/Treasurer, shall be invested in either the Money Market Fund or HISA depending on current interest rates.

To All Ontario Municipalities

Resolution re Reducing Municipal Insurance Costs

Please be advised the Council of the Municipality of Chatham-Kent, at its regular meeting held on March 6, 2023 passed the following resolution:

“Whereas Chatham-Kent has faced multiple double digit increases to insurance premiums over the past years;

And Whereas the costs on insurance are having a significant impact on municipal budgets in Chatham-Kent and around the Province;

Now Therefore, Council direct administration to engage with other municipalities, the Association of Municipalities of Ontario, and any other relevant municipal associations, to determine what tools may be available to reduce insurance costs, including cooperative purchasing of insurance, creation of a municipal reciprocal insurance provider, or legislative changes to address insurance costs to municipalities.

And administration report back to Council regarding the result of this engagement and any recommended Council resolutions to support improvements to municipal insurance in Ontario.

Further that administration be directed to forward this motion to all other municipalities in Ontario seeking support and collaboration on this issue.”

Re: Support Bill 5 - Stopping Harassment and Abuse by Local Leaders Act

Please be advised the Council of the Municipality of Chatham-Kent, at its regular meeting held on March 6, 2023 passed the following resolution:

"That Chatham-Kent Council express its support for Bill 5 - Stopping Harassment and Abuse by Local Leaders Act which would require the code of conduct for municipal Councillors and members of local boards to include a requirement to comply with workplace violence and harassment policies and permit municipalities and local boards to direct the Integrity Commissioner to apply to the court to vacate a member's seat if the Commissioner's inquiry determines that the member has contravened this requirement;

And further that this resolution be circulated to the Honourable Doug Ford, Premier of Ontario; the Honourable Steve Clark, Minister of Municipal Affairs and Housing; the Honourable Stephen Blais, and local MPPs."

Re: Call to Action: Review of the Cannabis Act

Please note that on March 2, 2023 Malahide Township Council ("Malahide") passed the following motion:

No. 23-101

Moved By: Scott Lewis

Seconded By: Chester Glinski

THAT the City of Port Colborne correspondence in support of the Corporation of the County of Huron regarding Call to Action: Review of the Cannabis Act be supported;

AND THAT the Council of the Township of Malahide approve forwarding a Call to Action Letter for support.

Carried

Malahide supports the recent calls from Huron County and other municipalities for a review and amendments to the Cannabis Act and the current legislative framework for cannabis in Canada. Malahide's support in this letter is in addition to the comments provided by Malahide in an earlier letter to the Cannabis Act Legislative Review Secretariat (re: Federal Cannabis Act Review, letter dated November 17, 2022).

In conclusion, and to reiterate, Malahide strongly recommends further notice and enhanced consultation with municipal governments when drafting and implementing legislation and regulations related to cannabis production, as there is a direct impact on local municipal operations, local residents, and in some cases, serious issues of non-compliance with local municipal by-laws.

RE: A Call to the Provincial government to End Homelessness in Ontario

Dear Premier Ford,

During the February 27, 2023 regular meeting of council, the AMO request calling on the province to calling on the province to end homelessness was brought forward and discussed, the following resolution was carried:

Moved: Chad Hyatt Seconded: Debb Pitel

WHEREAS the homeless crisis is taking a devastating toll on families and communities, undermining a healthy and prosperous Ontario;
WHEREAS the homelessness crisis is the result of the underinvestment and poor policy choices of successive provincial governments;
WHEREAS homelessness requires a range of housing, social service and health solutions from government;
WHEREAS homelessness is felt most at the level of local government and the residents that they serve;
WHEREAS municipalities and District Social Administration Boards are doing their part, but do not have the resources, capacity or tools to address this complex challenge; and,
WHEREAS leadership and urgent action is needed from the provincial government on an emergency basis to develop, resource, and implement a comprehensive plan to prevent, reduce and ultimately end homelessness in Ontario.

THEREFORE BE IT RESOLVED THAT Council of the Town of Petrolia calls on the Provincial Government to urgently:

- a. Acknowledge that homelessness in Ontario is a social, economic, and health crisis;
- b. Commit to ending homelessness in Ontario;
- c. Work with AMO and a broad range of community, health, Indigenous and economic partners to develop, resource, and implement an action plan to achieve this goal.

AND FURTHER THAT a copy of this motion be sent to the Minister of Municipal Affairs and Housing; the Minister of Children, Community and Social Services; the Minister of Health; to the Association of Municipalities of Ontario; County of Lambton Social Services.

Re: Barriers for Women in Politics

At the Special Council Meeting of March 14, 2023, the Council of the Corporation of the City of Cambridge passed the following Motion:

WHEREAS the City of Cambridge values respect, integrity, equity, inclusivity and service in all areas of life, including politics;

WHEREAS women have historically been underrepresented in politics and continue to face barriers and discrimination in their pursuit of elected office;

WHEREAS misogyny and harassment have been identified as significant challenges for women in politics, both in Canada and around the world;

WHEREAS the City of Cambridge believes that all individuals have the right to participate in a political environment that is free from discrimination, harassment, and misogyny;

THEREFORE, BE IT RESOLVED that the City of Cambridge expresses its support for women in politics and their right to participate in a political environment that is free from misogyny and harassment and where everyone feels equitable;

BE IT FURTHER RESOLVED that the City of Cambridge commits to taking steps to ensure that our political environment is inclusive and welcoming to all individuals, regardless of gender, race, ethnicity, religion, sexual orientation, or other identity factors;

BE IT FURTHER RESOLVED that the City of Cambridge joins the Town of Grimsby in encouraging other municipalities in Ontario and across Canada to join us in supporting women in politics and promoting gender equity in all areas of society;

BE IT FURTHER RESOLVED that a copy of this resolution be sent to all Ontario Municipalities for endorsement, the Premier of Ontario, the Minister of Municipal

Affairs and Housing, Cambridge's MP and MPP, and the Association of Municipalities of Ontario to express the City of Cambridge's commitment to this issue and encourage action at the provincial level to create legislation to ensure equity, safety, and security.

MUNICIPALITY OF DUTTON DUNWICH
Council Meeting

Resolution Number 2023.07.35
Date: March 8, 2023

Moved by: H. Dryfhout
Seconded by: C. Pemberton

WHEREAS the Province of Ontario review the Provincial Policy Statement, 2020 (PPS) under the Planning Act; and
WHEREAS unique situations include land that is unfarmable, where habitable dwelling had existed but due to uncontrollable situations, the dwelling had been removed or where property had merged on title unintentionally; and
WHEREAS opportunities to create residential lots in the prime agricultural area will help to ensure the sustainability of the rural area while still protecting the farmable land.
NOW THEREFORE the Council of the Municipality of Dutton Dunwich requests that as part of the review of the Provincial Policy Statement, more flexibility be provided to lower and upper tier municipalities as part of lot creation (S 2.3.4) to permit for new buildable residential lots in the prime agricultural area, when there are unique situations; and
FURTHER THAT a copy of this resolution be forwarded to Rob Flack, MPP, Karen Vecchio MP, Elgin County, and its lower-tier municipalities.

Dear Premier Ford:

RE: School Bus Stop Arm Cameras

Pleased be advised that the Council of the Municipality of North Perth passed the following resolution at their regular meeting held March 6, 2023:

Moved by Councillor Rothwell **Seconded by** Councillor Blazek

WHEREAS almost 824,000 students travel in about 16,000 school vehicles every school day in Ontario and according to the Ministry of Transportation's statistics the rate of vehicles blowing by stopped school buses is over 30,000 times every day;

AND WHEREAS the Province of Ontario passed the Safer School Zones Act in 2017 which authorized the use of Automated School Bus Stop Arm Camera Systems to detect incidents where vehicles failed to stop when the school bus was stopped and the stop-arm extended (O. Reg. 424/20);

AND WHEREAS the Association of Municipalities (AMO) working on behalf of all Ontario Municipalities made its submission to the Standing Committee on General Government on May 21, 2019 in support of Administrative Monetary Penalties (AMPs) to be used to collect fine revenue for school bus stop arm infractions and other applications, including Automated Speed Enforcement (ASE) technologies deployed in school and community safety zones;

AND WHEREAS police resources can not be spread any thinner to enforce Highway Traffic Act offences throughout municipalities;

AND WHEREAS the administrative and financial costs to establish the required municipal Administrative Penalty program under the Highway Traffic Act, and its regulations, are substantial and maybe out of reach for small or rural municipalities that have insufficient amounts of traffic to generate the required funds to offset the annual operational costs of a municipal Administrative Penalty program;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Municipality of North Perth urges the Provincial Government to:

- a) Require all school buses to have stop arm cameras installed and paid for by the Province for the start of the 2023-2024 school year; and
- b) Underwrite the costs for the implementation and on-going annual costs for Administrative Monetary Penalties in small and rural municipalities;

AND FURTHER THAT this resolution be circulated to Premier Doug Ford, Attorney General Doug Downey, Minister of Education Stephen Lecce, Provincial opposition parties, Mathew Rae MPP, AMO and all municipalities in Ontario.

Re: Ontario School Board Elections

Dear Honourable Stephen Lecce,

Please be advised that at the Regular Meeting of Council on Tuesday, February 21, 2023, Council of the Township of Howick adopted the following resolution:

Resolution No. 58/23

Moved by: Councillor Grimes

Seconded by: Councillor Rognvaldson

That the Council of the Township of Howick receive the correspondence from the Town of Petrolia, regarding School Board Elections; and

Confirms that the 2022-2026 Howick Municipal Council was acclaimed in its entirety to their positions and that the expenses incurred for the 2022 Howick Municipal Election were only for facilitating the election of the School Board Trustees; and

That Council supports the Resolution passed by the Township of Petrolia Council to request that School Boards become responsible for conducting their own Trustee elections, or at a minimum, municipalities be compensated by the School Boards for overseeing such Trustee elections; and

That Staff forward this Resolution to the Honourable Stephen Lecce, Minister of Education, and to all Ontario Municipal Councils.

COUNTY COUNCIL HONOURS DEPUTY WARDEN DUNCAN MCPHAIL

County Council observed a moment of silence to honour Deputy Warden Duncan McPhail (pictured below), who passed away on March 11, 2023, just two (2) weeks shy of his 70th birthday.

McPhail served for 17 years on County Council. He was elected Warden in 2000, 2001 and 2019, and was appointed Deputy Warden in 2020, and 2022 until his passing.

McPhail was driven to outstanding community service. Regardless of his role on County Council, he attended to committee assignments, projects and activities with vigour. The flags at all County facilities are lowered to half-mast in honour of McPhail.

A book of condolences is available in the lobby of the Elgin County Administration Building at 450 Sunset Drive, St. Thomas for residents and the community to share their messages of sympathy.

COUNCIL RECEIVES AN UPDATE FROM THE MUNICIPAL PROPERTY ASSESSMENT CORPORATION (MPAC)

The Municipal Property Assessment Corporation (MPAC) presented County Council with an informative update on its services. MPAC is an independent corporation which is funded by Ontario Municipalities. Their role is to assess and classify all properties and buildings across Ontario.

Elgin County's MPAC Account Manager, Brenda Slater, provided some insight into MPAC's role in property taxation, an assessment update, and shared resources available to the County for educating the public on MPAC's services.

For the full MPAC presentation, please see the March 14, 2023, Agenda Package, found [here](#).

ELGIN COUNTY'S LIBRARY BRANCHES RECEIVE COUNCIL SUPPORT IN MOVING ONE STEP CLOSER TO BECOMING FINE FREE

In June 2022, County Council approved the Elgin County Library to begin its path toward becoming fine free. Phase one (1) of this initiative saw overdue fines eliminated on all children's materials, and the overdue fines on adult DVDs were reduced.

Natalie Marlowe, the Manager of Library Services, presented County Council with a recommendation to move to phase two (2), eliminating fines on all adult fiction materials and reducing fines on adult DVDs. Council approved all ten (10) Library Branches to move to this next phase on April 1, 2023.

COUNCIL APPOINTS SIX (6) MEMBERS TO THE TERRACE LODGE REDEVELOPMENT FUNDRAISING COMMITTEE

The Terrace Lodge Redevelopment Fundraising Committee is a sub-committee of the Terrace Lodge Redevelopment Steering Committee and raises funds for value-added enhancements to Terrace Lodge through its Comforts of Home campaign.

In January 2023, correspondence was sent to Elgin's seven (7) local municipal partners requesting an appointed member to sit on the Committee for the 2023-2026 term. At its meeting on February 28, 2023, Elgin County Council approved the appointment of

- Sarah Leitch, Councillor – Township of Malahide
- Amarilis Drouillard, Councillor – Municipality of Dutton Dunwich
- Jamie Chapman, Councillor – Town of Aylmer
- Wendy Carmichael, Community Member
- Jim Jenkins, Community Member
- Kay Haines, Terrace Lodge Auxiliary Representative

ELGIN'S 2023 BUDGET NEARS THE FINISH LINE

Elgin County Council received its final 2023 Budget Presentation from the Director of Financial Services/Treasurer, Jennifer Ford. This presentation provided a detailed overview of the preferred tax rate of 3.76%.

This option results in utilizing some of the project savings from the Centennial/Elm Roundabout Project (\$321K), while allocating the remaining balance of \$245K to the Capital Reserve Fund for future use. As a result, residential properties in Elgin will see a tax rate implication of \$23.88/\$100,000 of assessment.

Once County Council formally adopts the 2023 Budget By-Law at its March 28, 2023, meeting, the 2023 Budget document will be made available for public viewing.

Dear Mayor/Head of Council:

My ministry is leading the development of a comprehensive action plan to address risks from legacy oil and gas wells and subsurface gas migration hazards.

The development of the action plan will be a collaborative approach, with opportunities for input from all stakeholders.

To kickstart this work, my ministry will be hosting a series of listening sessions over the coming months to hear directly from key groups to understand specific concerns from their perspective.

I would like to invite Mayors and Heads of Councils to meet with me on March 31 to hear about the province's plans and ensure we are aligned with current and future municipal needs.

Additional sessions will be planned with municipal staff later this spring to hear directly from municipal experts on topics such as emergency preparedness, growth and development.

I look forward to meeting with you and hope you can attend one of the planned sessions in Chatham-Kent and Simcoe. For more information and to RSVP please contact Kathleen Anderson, Manager, Strategic Petroleum Initiatives Section, Regional Operational Division, at Kathleen.Anderson@ontario.ca. If you are unable to attend this session, I welcome you to identify an appropriate delegate to attend on your behalf. It would also be appreciated if you could confirm the appropriate contact for us to connect with regarding future municipal engagement sessions.

I look forward to working with you and hearing your perspective on this important initiative.

Yours Sincerely,

The Honourable Graydon Smith

Report To: Council Meeting

From: Lee Gosnell, Manager of Operations & Community Services

Date: 2023-03-23

Subject: Monthly Operations Update – February 2023

Recommendation:

That West Elgin Council hereby receives the report from Lee Gosnell, Manager of Operations & Community Services Re: Monthly operations update.

Purpose:

The purpose of this report is to provide Council with an update on operations carried out during the month of February.

Background:

Parks & Recreation

- Staff kept busy with regular shifts at the arena including additional ice time on Saturday afternoons.
- The arena was shut down for 2 days due to weather and hydro issues.
- Arena staff received a visit from TSSA (Technical Standards and Safety Authority), and all identified items have been resolved.
- Winter maintenance operations were carried out multiple times on sidewalks during the month of February.
- Daily cleaning duties at the Rodney Recreation Centre.
- Interviews were conducted for parks & recreation summer student positions and both spots have now been filled.
- The Winter Car Cruise/Poker Run visited the Olde Jail in Rodney on Sunday, February 19th, on route to the Plunkett Estate in London.

Public Works

- Ice, heavy snow, and wind caused many issues with roadside trees. Municipal crews, along with a contractor for bucket truck work, removed damaged trees/limbs and cleaned up branches/wood debris left over from the storms.
- Short breaks of milder air allowed crews to make repairs to county and municipal signage which was misaligned or damaged from winter operations.
- Pothole patching on hard surface roads took place as weather permitted.
- Preparations and surveying completed for pending ditch job on McDougall Line.
- Trimmed trees to improve sightlines in an area identified on Pioneer Line.

- Multiple rounds of ice, snow and wind were experienced during the month of February requiring operations on roads/sidewalks and maintenance of winter equipment between events.

Utilities

- Utilities Supervisor participated in 2 webinars for Ontario One Call regulation changes.
- Staff prepared three estimates for potential new water customers.
- Utilities staff completed winter maintenance of sidewalks in downtown Rodney and steps/walkways at municipal buildings on multiple occasions.
- Utilities staff started cleanup of limbs and brush around the perimeter fencing located at the Rodney Water Tower (this will be completed as weather permits).
- Locates are beginning to pick up, with an increase over January numbers being reported.

Respectfully submitted by,
Lee Gosnell, Manager of Operations & Community Services

Report To: Council Meeting

From: Lee Gosnell, Manager of Operations & Community Services

Date: 2023-03-23

Subject: 2023 Dust Suppressant

Recommendation:

That West Elgin Council hereby receives the report from Lee Gosnell, Manager of Operations & Community Services; and

That West Elgin Council hereby grants pre-budget approval in the amount of \$213,750.00 plus applicable taxes as submitted by Eastern Oilfield Services Ltd. for supply and application of dust suppressant.

Purpose:

To accept the quote from Eastern Oilfield Services Ltd. for the supply, haul and spread of approx. 2,250,000 liters of natural dust suppressant.

Background:

Five quotes were received by the deadline of Friday February 24, 2023, and are listed below (before taxes) –

1.	Pollard Highway Products Ltd.	\$247,500.00
2.	Den-Mar Brines Limited.	\$315,000.00
3.	552976 Ontario Limited	\$246,375.00
4.	Da-Lee Group	\$405,000.00
5.	Eastern Oilfield Services Ltd.	\$213,750.00

Financial Implications:

This years' dust suppressant tender received interest from five suppliers, as listed above. A substantial portion of the tender amount comes from transportation of the product. Eastern Oilfield's supply is local to the West Elgin area, which helps reduce the overall cost due to a decrease in time and fuel requirements. Although this is a substantial increase over last year's successful tender of \$117,000.00, it does align more closely with other tender submissions received. The municipality received brine from this contractor last year, and staff found service and product quality met expectations. Therefore, we recommend award of the 2023 dust suppressant tender to Eastern Oilfield Services Ltd.

Lee Gosnell, Manager of Operations and Community Services

Recommendation:

That West Elgin Council hereby receives the report from Lee Gosnell, Manager of Operations & Community Services; and

That West Elgin Council hereby grants pre-budget approval in the amount of \$323,700.00 plus applicable taxes from Johnston Brothers Ltd. for supply & application of maintenance gravel.

Purpose:

To accept the quote from Johnston Brothers Ltd. for the supply, haul and spread of approx. 15,000 tonnes of 'A' gravel during the 2023 season.

Background:

The closing date for this years' maintenance gravel tender was March 3, 2023. As of the closing date, two submissions had been received as follows –

- | | |
|--------------------------|----------------------------------|
| 1. Johnston Bros. Gravel | \$323,700.00 plus applicable tax |
| 2. McKenzie & Henderson | \$435,000.00 plus applicable tax |

The low tender bid listed above represents an increase of \$1.63 per tonne over last years' price but remains in-line with the 2023 budget amount as staff anticipated higher pricing again this year. With inflation and fuel costs remaining well above normal, this increase of approx. 8.2% over last year's number was expected. Johnston Bros. Gravel is a local company that have been supplying gravel to the municipality for many years.

For these reasons, we recommend awarding the 2023 Maintenance Gravel contract for 15,000 tonnes of 'A' gravel to Johnston Brothers Ltd.

Background:

Office of Mayor

Mayor Duncan McPhail was sworn in as Mayor of the Municipality of West Elgin on November 17, 2022 for a four-year term to end on November 14, 2026. Mayor McPhail passed away unexpectedly on March 11, 2023, thereby creating the vacancy in the Office of the Mayor for the Municipality of West Elgin.

Vacancies in a Municipal Council are addressed in Sections 259 thru 267 of the *Municipal Act, 2001*. Section 259 sets out the circumstances where a council member's office becomes vacant by stating:

Vacant seat

259 (1) The office of a member of council of a municipality becomes vacant if the member,

- (a) becomes disqualified from holding the office of a member of council under section 256, 257 or 258;
- (b) fails to make the declaration of office before the deadline in section 232;
- (c) is absent from the meetings of council for three successive months without being authorized to do so by a resolution of council;
- (d) resigns from his or her office and the resignation is effective under section 260;
- (e) is appointed or elected to fill any vacancy in any other office on the same council;
- (f) has his or her office declared vacant in any judicial proceeding;

- (g) forfeits his or her office under this or any other Act; or
- (h) dies, whether before or after accepting office and making the prescribed declarations. 2001, c. 25, s. 259 (1).**

Section 262(1) of the *Municipal Act, 2001* requires that if the office of a member of council becomes vacant under section 259, the council shall at its next meeting declare the office to be vacant, except if a vacancy occurs as a result of the death of a member, the declaration may be made at either of its next two meetings. The Office of Mayor will become vacant through the recommendation of Council. Council can choose to make this resolution at the meeting on March 23, 2023 or April 13, 2023.

The declaration of the vacancy will start the clock on requirements laid out in Section 263(5) of the *Municipal Act, 2001*:

Rules applying to filling vacancies

(5) The following rules apply to filling vacancies:

1. Within 60 days after the day a declaration of vacancy is made with respect to the vacancy under section 262, the municipality shall,
 - i. appoint a person to fill the vacancy under subsection (1) or (4), or
 - ii. pass a by-law requiring a by-election be held to fill the vacancy under subsection (1).
2. Despite paragraph 1, if a court declares an office to be vacant, the council shall act under subsection (1) or (4) within 60 days after the day the court makes its declaration.
3. Despite subsections (1) to (4), if a vacancy occurs within 90 days before voting day of a regular election, the municipality is not required to fill the vacancy. 2001, c. 25, s. 263 (5)

Section 264 of the *Municipal Act, 2001* provides that a person appointed or elected to fill a vacancy shall hold the office for the remainder of the term of the person he or she replaced.

Should Council choose to adopt a resolution today, they will have to choose to either appoint a person to fill the vacancy or pass a by-law to hold a by-election no later than May 22, 2023 (closest regular meeting of Council is May 11, 2023). Council has time to make any decision on which way they want to fill the vacancy and staff will provide a follow-up report with approximate costs of running a by-election and some sample procedures on appointing a person from the public, should Council wish.

County Council Representation

Section 267(2) of the *Municipal Act, 2001* provides that:

If the office of a person who is a member of council of both local municipality and its upper-tier municipality become vacant and the vacancies will not be filled for a period exceeding one

month, the local council may appoint one of its members as an alternate member of the upper-tier council until the vacancies are filled permanently.

Once Council declares the Office of the Mayor Vacant It will take more than a month to either appoint a person to the Office of the Mayor or elect to run a by-election, an alternate member may be appointed to the upper-tier council until such time as the position is filled permanently.

Appointments to Committees

Council will also need to consider how to fill the vacancies for the committees of council that Mayor McPhail was appointed to – Four Counties Transportation Committee, West Elgin Community Centre Board of Management, and Tri-County Water Board.

Recap of Next Steps

Step	Action	Time Line	Result
1	Declare the Office of the Mayor Vacant	Must be done no later than April 13, 2023 Council meeting	a) Starts the clock on the 60-day period for Council to either appoint a member of the public or pass a by-law to call a by-election b) May appoint a member to the Upper Tier Council until a permanent replacement for the Office is filled c) May appoint member(s) to fill vacancies on Committees of Council
2	Choose method of filling vacancy	60 days from declaration of vacancy	a) Appoint a person who has consented to accept the office. b) Pass a by-law to require a by-election
3a)	Appoint a person who has consented to accept office	No later than 60 days from declaration of vacancy	Procedures will need to be adopted on how this process will take place as the <i>Municipal Act, 2001</i> does not set out requirements, only relating to qualifications.
3b)	Pass by-law to require a by-election	Nominations accepted right away for between 30 and 60 days Election Day 45 days after close of nominations	<i>Municipal Elections Act</i> lays out a procedure for a by-election. It will closely mimic the procedures for the last election in all ways possible.

Staff Report

Report To: Council Meeting
From: Jana Nethercott, Clerk
Date: 2023-03-23
Subject: Options for Filling a Vacancy on Council

Recommendation:

That West Elgin Council hereby receives the report from Jana Nethercott, Clerk re: Options for Filling a Vacancy on Council for information purposes.

Purpose:

The purpose of this report is to provide information to Council on what other municipalities have done to fill vacancies on Council along with estimates on costs.

Background:

When a municipality has a vacancy on Council due to a resignation or a death, the Council of the municipality must make a decision with regards to how to fill that vacancy. Section 26 of the *Municipal Act, 2001* provides that:

Filling vacancies

263 (1) If a vacancy occurs in the office of a member of council, the municipality shall, subject to this section,

- (a) fill the vacancy by appointing a person who has consented to accept the office if appointed; or
- (b) require a by-election to be held to fill the vacancy in accordance with the *Municipal Elections Act, 1996*. 2001, c. 25, s. 263 (1).

Rules applying to filling vacancies

(5) The following rules apply to filling vacancies:

1. Within 60 days after the day a declaration of vacancy is made with respect to the vacancy under section 262, the municipality shall,
 - i. appoint a person to fill the vacancy under subsection (1) or (4), or
 - ii. pass a by-law requiring a by-election be held to fill the vacancy under subsection (1).
2. Despite paragraph 1, if a court declares an office to be vacant, the council shall act under subsection (1) or (4) within 60 days after the day the court makes its declaration.
3. Despite subsections (1) to (4), if a vacancy occurs within 90 days before voting day of a regular election, the municipality is not required to fill the vacancy. 2001, c. 25, s. 263 (5).

Appointment

Should Council determine that the vacancy be filled by appointment this appointment must occur within 60 days of the declaration of the seat being vacant. The *Municipal Act, 2001* only requirements for appointing a member is that the must consent to the appointment and they must be a qualified elector within the Municipality as per the *Municipal Elections Act*.

There are a number of sub-options within the Appointment option:

1. Appoint from Council

Council has the right to appoint one the already sitting members into the Office of the Mayor and then follow the process to declare that seat vacant and determine method of filling the vacancy. Should Council choose this option and more than one member of Council wishes to put their name forward, a process would need to be developed and would most likely take the form of appointing a chair or vice chair for a board or committee, which includes call for nominations, seconding of nomination and voting by secret ballot if more than one nomination.

Advantages	Disadvantages
Ensure the Mayor's and County Council position is filled by a serving elected representative	Will result in a subsequent Council vacancy which will require the process to happen again
Provides representative who is familiar with current municipal issues	
No costs associated with this process	
Minimal staff time associated with this process	

2. Appointment by Call for Applications

Council may approve an appointment process which would permit interested eligible persons to submit an application for appointment to Council. This open call for applications would be advertised on multiple platforms and would include a process including an application, declaration of qualifications, and a procedure would need to be developed, which would include an interview/presentation with Council at a public meeting. Staff have sample procedures that have been provided by other municipalities who experienced the same thing.

Advantages	Disadvantages
Ensure every interested and qualified individual is provided the opportunity to be considered by Council	Does not consider the experience and skills of current Council
Allows applicants the opportunity to address Council	The Mayor's race was acclaimed during the last election process and there may not be any applicants willing to put their name forward again
Provides members of the public an opportunity to provide input into the selection of individual who will represent them on Council and County Council	
Provides an opportunity to identify and select an individual possessing a skillset that may not currently be represented on Council	
Minimal costs associated with this process	

3. Direct Appointment by Council

Council can choose to appoint an eligible individual without a public process as the *Municipal Act, 2001* does not prescribe any process. The Clerk would still need to ensure that any appointed person meets the eligibility requirements, and this person would need to consent to the appointment.

Advantages	Disadvantages
Process would be done quickly, allowing for Council to continue on with full membership in a timely manner	Is not a public process
No costs associated with this process	

4. Appointment from Municipal Election Candidates

Council can appoint the next place finisher in the most recent municipal election. Municipalities have done this in the past under the rationale that this person was judged by the electorate and had in the past consented to the Office. The Clerk would need to contact the person and confirm their eligibility still remains and that they consent to the office. In the current case of the Office of the Mayor, there were no other candidates for the Office.

By-Election

Council can choose to fill the vacancy by directing a by-election be held. In accordance with Section 263(5) of the *Municipal Act, 2001*, a by-law must be enacted within 60 days after the seat is declared vacant.

Subsequent to the enactment of a by-election by-law, nomination day (last day for nominations) must be not less than 30 days and not more than 60 days thereafter. Voting day shall be 45 days after nomination day.

Staff have reached out to Intelivote, the provider used for the 2022 Municipal Election, for a quote to run a by-election. They provided a quote of \$13,050.00. Should there be an acclimation of the position, Intelivote will keep the deposit, which is 30% of the quote or \$3,915.00. This cost does not include the required advertisements and notices that the *Municipal Elections Act, 1996* states must be placed in a local newspaper. Currently there is just over \$11,000.00 left in the Election Reserve Fund from the 2022 election.

Timeline (assuming by-election enacted April 13, 2023)

Nomination Day	May 15, 2023
Voting Day	June 29, 2023
Oath of Office	June 30, 2023 (first opportunity)

Advantages	Disadvantages
Ensures a democratic process is employed for all electors	Significant cost to the taxpayers
	Longer process, thereby leaving a vacancy for a longer period
	Labour-intensive process that will consume staff resources for the next three months
	Should a current member of Council choose to run it could result in another vacancy on Council, thus start the process again

Considerations:

The advantage of appointing someone thru options 1, 2 or 3 includes low to no cost, the process can be completed quickly thereby avoiding a prolonged period of time without a permanent Mayor.

The current council is just shy of 100 days into the term that will last until November 14, 2026.

Analysis:

In researching Council Vacancy's staff have discovered there are 2 other municipalities with vacancy's at this time. Elliott Lake is in a unique position as its court ordered for the Office of the Mayor, so it must wait until all appeal periods have passed, however the staff recommendation is to appoint the runner up from the election. Quinte West had a vacancy for a Councillor position and after a few failed motions (one to call a by-election and one to appoint the next highest vote getter in the past election), they did a direct appointment from Council. Since 2017, there have been 12 vacancies declared across the province, with 9 of them filled by appointment.

After going thru a Council Vacancy, some Council's have had staff develop a Council Vacancy policy to be prepared for these occasional occurrences.

Financial Implications:

Financial Implications are based on what decisions are made and are contained within the report.

Date: 2023-03-23
Subject: Council Meeting Start Time Survey Results

Recommendation:

That West Elgin Council hereby receives the report from Jana Nethercott, Clerk Re: Council meeting start time survey results for information purposes.

Purpose:

The purpose of this report is to provide Council with an analysis of the results from the Council Meeting Start Time Survey.

Background:

Council provided direction to staff at the January 12, 2023 meeting to prepare a survey for residents to provide feedback on the start time of Council meetings. Staff prepared and launched the survey consisting of 10 questions on February 1, 2023 and closed at 5 pm on March 15, 2023. This survey was advertised thru Social Media, the Website, posters in municipal facilities which included a unique QR code to the survey and paper copies were available at the municipal office front desk.

Analysis

A total of 50 residents responded to the survey, which equates to approximately 1% of eligible voters.

56% of respondents indicated a preference for evening meetings, with the majority (53%) preferring a 7:00 pm start time.

24% of respondents selected the option of 1 evening and 1 daytime meeting a month. 16% of respondents selected the option of daytime meetings and 4% were indifferent to the start time.

Start time selections by percent (note this question was only answered by those who chose evening meetings):

- 53% at 7 pm
- 20% at 6 pm
- 20% at 5 pm
- 4% indifferent

46% of respondents had attended a past Council meeting and of these 57% have attended virtually at least once.

32% of respondents indicated that should they attend a Council meeting it would be in person, with 24% indicating a preference to attend virtually.

88% of respondents liked the option of viewing the meeting online after the meeting is over, with 60% of respondents viewing the meetings on YouTube regularly.

Thru this survey respondents had the opportunity to learn about the subscription to the agenda and meeting links and 25 of the respondents did add their names and email addresses to receive the link to the agenda and zoom meeting invite via email the day before the meeting.

In presenting this information staff await direction on Council's preference for meeting start times.

Financial Implications:

None.

Report To: Council Meeting

Subject: Consolidated Linear Infrastructure Environmental Compliance Approval

Recommendation:

That West Elgin Council hereby receives the report from M. Badura, CAO/Treasurer re: Consolidated Linear Infrastructure Environmental Compliance Approval (CLI-ECA), and That West Elgin Council approve Ontario Clean Water Agency (OCWA) proposal to undertake the completion of Municipal Sewage Collection System (CLI-ECA) application for the Ministry of Environment, Conservation and Parks (MECP) in the amount not the exceed \$7,100.00 exclusive of HST.

Purpose:

The purpose of this report is to seek council's approval for the preparation and submission of application to the Ministry of Environment Conservation and Parks based on the attached proposal from Ontario Clean Water Agency.

Background:

Over a year ago, the province decided to adopt a Consolidated Linear Infrastructure Permissions Approach (CLI) for low-risk projects related to sewage collection and stormwater management, with a goal of getting important, low-risk public infrastructure projects built sooner by reducing the time it takes between when needs are identified and when citizens can benefit.

Under the new consolidated process, a municipality would no longer need to submit individual "pipe by pipe" applications for future alterations provided they are built in accordance with new design criteria and all other ministry approved conditions. These pre-authorizations will allow municipalities to proceed without first having to obtain an individual ministry permission. In certain circumstances, and with municipal approval, developers who are constructing infrastructure on behalf of municipalities can receive pre-authorization if work is being carried out in accordance with the requirements of the municipality's consolidated linear infrastructure Environmental Compliance Approval (ECA), including meeting ministry design standards.

Consolidated Linear Infrastructure will:

- create an efficient process for low-risk projects,
- provide clear, transparent, and consistent requirements,
- improve environmental protection through updated and consolidated terms and conditions,
- establish a more comprehensive picture of sewage works across the province,
- The CLI Permissions Approach will replace the current approach for lower risk, routine sewage works and has been modelled after the current framework for municipal drinking water systems.

All existing and future approvals will be incorporated into two consolidated Environmental Compliance Approvals (ECAs):

- one for municipal sanitary collection systems
- one for stormwater management works
- Consultations and next steps

The first step in the transition is to apply for a CLI-ECA. This is a phase in approach based on a schedule, starting with municipalities with Transfer of Review agreements, then municipalities with combined sewer overflows, and finally based on population starting from larger to smaller.

Financial Implications:

2023 Budget deliberations – cost of application submission was not included.

Re: CLI-ECA Application Process

Dear Clients,

As many of you may already be aware, the Ministry of the Environment, Conservation and Parks (MECP) recently approved and started the implementation of a new and streamlined Environmental Compliance Approval (ECA) application process dedicated to Municipal Sewage Collection Systems and Municipal Stormwater Management Systems within the province.

A Consolidated Linear Infrastructure ECA (CLI-ECA) is a single approval that is intended to replace the numerous pipe-by-pipe sewage works ECAs that have been issued for these systems in the past. The new process may include operational flexibility conditions that pre-authorize future specified alterations in accordance with the conditions in the ECA. As a result, a separate sewage works approval would not be needed and municipalities would be able to undertake construction if specific conditions in the CLI-ECA are met. There are two applications that require submission: one for collection systems and one for stormwater.

As well, a CLI-ECA would not expire. The process includes a requirement that the ECA Holder must submit an application for review of the ECA at regular intervals (e.g., on a cycle of up to five years) to ensure that the description of the system is refreshed at regular intervals and that any terms and conditions associated with operational flexibility remain up to date.

Application Deadlines

You may have already received communications about this new application process from the MECP regarding the deadlines and expectations for each of these applications. Applications are expected to be submitted electronically by the Owner. For those you who haven't yet received, please note that the application due dates are defined by MECP based on systems type and owner. **We are advised that application deadlines for both the Municipal Sewage Collection and the Municipal Stormwater Management Systems are as follows:**

- **Jan 21, 2022 (Toronto Region, communities with combined sewers)**
- **Feb 18, 2022 (larger communities)**
- **March 18, 2022 (smaller communities, most northern and eastern Ontario)**

The MECP will be holding information webinars throughout the fall to discuss CLI, and how they plan to implement the approach. They will also be engaging with municipalities closer to their potential application submission date, to provide information on how to prepare these ECA applications.

Please note that the MECP may be providing some flexibility in the application date. If you feel you may be in a position to need an extension, or have questions for the MECP, please contact enviopermissions@ontario.ca.

Your local OCWA team is also always available to you should you have questions about the new application process or the services that we can provide to support you. Please feel free to contact us directly.

**Re: Consolidated Linear Infrastructure Environmental Compliance Approval (CLI-ECA)
Application**

Dear Magda,

On behalf of the Ontario Clean Water Agency (OCWA), we are pleased to submit our proposal to undertake the completion of your Municipal Sewage Collection System CLI-ECA application for the Ministry of the Environment, Conservation and Parks (MECP). Based on our current understanding of your existing municipal wastewater infrastructure, OCWA will complete the necessary forms as described in the following sections. Please note, our proposal does not include costs associated with the completion of your Stormwater Collection System application at this time.

As a provincial crown Agency, OCWA provides a comprehensive range of reliable, cost-effective, and environmentally responsible water and wastewater operations, maintenance and engineering services to a large number of municipalities, First Nations, and industrial, commercial and institutional organizations in the Province of Ontario.

1 Deliverables

- 1) Municipal Sewage Collection Systems CLI-ECA application:
 - Completing forms 00 to 08
 - Form 03 is an infrastructure map of assets currently owned and maintained by the Municipality. For purposes of this budget request, we have assumed we will be required to create this map from the available information, and provide it to both the Municipality and MECP in pdf format.

2 Budget

In reviewing the above scope of work, OCWA proposes a project budget of **\$7,100** (exclusive of HST) for our professional fees and disbursements. Note that this is an upset limit and only fees and disbursements used will be invoiced.

If additional services are required outside of the scope of this proposal, this cost would be in accordance with our Engineering Schedule of Rates attached in Appendix A.

Please note that this budget does not include:

- Digitizing any hard copy drawings. If digital copies are requested or necessary, this will be an additional cost based on time and materials.
- Site visits. If a site visit is required, this will be an additional cost based on time and expenses.

3 Schedule

We understand that time is of the essence. OCWA is ready to start the project in April 2023 upon approval. The full project is expected to take 7 weeks to complete assuming the project is approved to start by March 27, 2023. Table 1 contains a list of the key milestone dates for the project. We have assumed one week for the Municipality to provide necessary background information and another week to review the draft CLI-ECA documents. We recommend that the Municipality request an extension from the MECP for May 2023.

Table 1: Milestones

TASK	SCHEDULE	MILESTONE DATE
Project Approval to Start		March 27, 2023
Collect and Review Background Information	2 weeks	April 11, 2023
Draft CLI-ECA Documents	3 weeks	May 1, 2023
Final CLI-ECA Documents	2 weeks	May 15, 2023

We thank you again for your interest; please contact your local OCWA contact for more information.

Sincerely,

Sonya M Semanuik, P.Eng., PMP
Senior Project Manager – Studies & Condition Assessments

Subject: Strategic Plan

Recommendation:

That West Elgin Council hereby receives the report from M. Badura, CAO/Treasurer re: Strategic Plan and approve the proposal from Jennifer Kirkham, Michevious Cat Productions in the amount of \$21,500.00 plus applicable taxes; and that West Elgin Council chooses one of the options presented.

Purpose:

The Municipal Strategic Plan must be developed to guide Council and Staff into the future (2023-2026).

Background:

When the Municipal Council is elected every four years, they set the Strategic Plan for the term. During the last term of Council, it was determined that an organizational review be completed first as there was a need to strengthen our organization.

With the new term of the Council it is time to develop strategic priorities and a road map for Council and Staff as we determine how to best provide services and help our Municipality thrive. Having a strategic plan in place will enable us to establish goals and objectives that expand our potential without straining our resources or creating too much risk.

Attached proposal contains the following components:

1. Conduct an online survey or interviews with Council members to gather preliminary thoughts.
2. Facilitate two working sessions with Council to develop a draft Strategic Plan, including a vision and mission statement.
3. Conduct a community online survey to gather feedback about the draft Strategic Plan.
4. Conduct up to three online focus groups with targeted groups (based on the demographics profile of respondents to the online survey) to gather feedback about the draft Strategic Plan.
5. Make recommendations to Council regarding final changes to the Strategic Plan.

Financial Implications:

March 16, 2023

Hello Members of Council of the Municipality of West Elgin –

As you probably know, West Lorne Arena made the Top 4 for [Kraft Hockeyville](#) and we have an incredible opportunity to win the Grand Prize of \$250,000 towards upgrades to the our arena as well as host an NHL pre-season hockey game!

Since finding out last Friday, March 10, we have established an organizing committee, created a social media following and campaign for the event, conducted all pre-liminary calls with Kraft Hockeyville and partners and established conversations with all local and regional media.

We are now in full planning mode and a lot of parts are moving very fast leading up to the Rally & Voting beginning on March 31st until April 1st.

With all that said, one item that became clear was that there was no established budget available from Kraft Hockeyville for execution of any of the lead up materials or financial support for the rally party expected. All funding is expected to come from the local community.

We require the help of the community and Municipalities if we have a chance at winning Kraft Hockeyville. It is a chance of a lifetime, if we do not win, we are not able to resubmit to Kraft Hockeyville for 10 years.

Therefore, we are asking for the following support from the Municipality of West Elgin.

Facility Use for Rally & Voting Day

Beginning March 31st at 9am and ending April 1st at 5pm is the voting period. We are looking to host our voting and rally centre at the Arena on March 31st. Giving the space limitations and the number of people expected, we are looking to host the big rally and voting party at the Dutton Dunwich Community Centre on April 1st. This is where Sportsnet will live broadcast our community cheering on the West Lorne Arena.

We would require the facility rental for the full day on March 31st and if available on Thursday evening for setup if possible.

Voting Fire Tablets

During the Rally & Voting period, we would like to set up voting station at the West Lorne Arena as well as throughout West Elgin [for example at Foodland] and we are asking to borrow any Tablets/iPads used on Election Day for this purpose. Voting is all web based, no software is required to be downloaded.

Marketing & Promotional Funding

We are working hard on social media and local media outlets to help get the word out to the local community and region. In speaking with Cathy Burghardt-Jesson from Lucan, who won Kraft Hockeyville in 2018, she emphasised the importance at reaching the larger audience. We are looking to produce signage including posters and signs as well as 10,000 business cards to distribute everywhere and anywhere in Ontario. We have volunteers lined up to start campaigning.

Additionally, we want to look our best at the Rally & Voting days which will be broadcast LIVE on SportsNet. We are hoping to purchase Black & Yellow SWAG such as foam hands or Thunder Sticks to give out on March 31st and April 1st.

We have volunteers lined up to start campaigning and are also reaching out to the Municipality of Dutton Dunwich and all local service clubs and a few specific organizations for financial support as well. We are hoping that each organization can assist with \$1,000 towards these items.

Something to note, that due to the Terms & Conditions of competition, no public recognition such as logos of any support from organizations can be included on any materials.

We are SO EXCITED for this opportunity and extremely proud of how the community has rallied together to get this far!

Thank you so much for your consideration.

MUNICIPALITY OF **West Elgin**

The Corporation Of The Municipality Of West Elgin

By-Law No. 2023-22

Being a By-Law to confirm the proceedings of the Regular Meeting of Council held on March 23, 2023.

Whereas Section 5(1) of the Municipal Act, 2001, S.O. 2001, c.25, as amended, the powers of a municipality shall be exercised by council; and

Whereas Section 5(3) of the Municipal Act, the powers of Council shall be exercised by by-law; and

Whereas it is deemed expedient that proceedings of Council of the Corporation of the Municipality of West Elgin as herein set forth be confirmed and adopted by by-law;

Now therefore the Council of the Municipality of West Elgin enacts as follows:

1. That the actions of the meeting of Council held on March 23, 2023, in respect of each recommendation, motion and resolution and other action taken by the Council at this meeting, is hereby adopted and confirmed as if all such proceedings were expressly embodied in this by-law.
2. The Mayor and proper officials of the Corporation of the Municipality of West Elgin are hereby authorized and directed to do all things necessary to give effect to the action of the Council referred to in the preceding section hereof.
3. The Mayor and Deputy Clerk are hereby authorized and directed to execute all documents necessary in that behalf and to affix the Seal of the Corporation of the Municipality of West Elgin.

Read a first, second, and third time and finally passed this 23rd day of March, 2023.

Richard Leatham
Deputy Mayor

Jana Nethercott
