Pages

1. Call to Order
2. Adoption of the Agenda

Recommendation:

That West Elgin Committee of Adjustment hereby adopt the agenda of April 23, 2026, as presented.

3. Disclosure of Pecuniary Interest

4. Adoption of Minutes

Recommendation:

That West Elgin Committee of Adjustment hereby adopt the minutes of January 22, 2026, as presented.

## **5. Purpose of Meeting**

The purpose of this Public Meeting of the West Elgin Committee of Adjustment is to allow the presentation of one (1) application for Minor Variance and to allow interested members of the public an opportunity to ask questions or offer comments with regards to these applications.

Written comments must be submitted to the Secretary-Treasurer of the Committee. If any member of the public would like to be notified in writing of the Committee of Adjustment's decision on a particular application they are to provide their name and mailing address to the Secretary-Treasurer at [clerk@westelgin.net](mailto:clerk@westelgin.net). This will also entitle you to be advised of possible Local Planning Appeals Tribunal hearings in the event the decision on an application is appealed.

Notice was sent via regular mail on March 24, 2026, to property owners within 60 m (200 ft) of the subject properties and to agencies requiring notice.

## **6. Minor Variance, D 13 2026-01, 22295 Hoskins Line**

5

### **6.1 Planners Report, Evan McKinstry, Jr. Planner, County of Elgin**

7

Recommendation:

That West Elgin Committee of Adjustment hereby receives the report from Evan McKinstry, Junior Planner, regarding Minor Variance Application D 13 2026-01 – Recommendation Report (Planning Report 2026-10).

And that the West Elgin Committee of Adjustment grant the requested Minor Variance to obtain relief from section 20 Table 20-1 General Industrial (M1) Zone Standards to permit an increase in the maximum building height from 12.0m to 15.0m. In addition, relief is requested to increase the maximum lot coverage from 40% to 45%, Further relief is sought to reduce the requested side yard width from 4.5m to 3.0m.

### **6.2 Written Comments Received**

### **6.3 Committee Comments**

### **6.4 Public Comment**

## 7. Adjournment

Recommendation:

That West Elgin Committee of Adjustment hereby closes this Public Meeting held pursuant the *Planning Act* at \_\_\_\_pm.

## Minutes

### Committee of Adjustment

January 22, 2026, 3:45 p.m.

Council Chambers

160 Main Street

West Lorne

**Present:** Richard Leatham  
Taraesa Tellier  
Bill Denning  
Ryan Statham  
Philip Sousa

**Staff Present:** Terri Towstiuc, Recording Secretary/Clerk  
Robert Brown, Planner  
Robin Greenall, Chief Administrative Officer  
Dave Charron, Manager of Infrastructure & Development

**This Meeting was held in Hybrid format and the recording is available at  
[www.westelgin.net](http://www.westelgin.net)**

**1. Call to Order**

Committee of Adjustment Chair to Call Meeting to Order at 4:16 pm.

**2. Adoption of the Agenda**

**Moved:** Taraesa Tellier

**Seconded:** Ryan Statham

That West Elgin Committee of Adjustment hereby adopt the agenda of January 22, 2026, as presented.

**Carried**

**3. Disclosure of Pecuniary Interest**

None.

**4. Adoption of Minutes**

**Moved:** Ryan Statham

**Seconded:** Taraesa Tellier

That West Elgin Committee of Adjustment hereby adopt the minutes of May 8, 2025 Committee of Adjustment, as presented.

**Carried**

**5. Purpose of Meeting**

The purpose of this Public Meeting of the West Elgin Committee of Adjustment is to allow the presentation of two (2) applications for Minor Variance and to allow interested members of the public an opportunity to ask questions or offer comments with regards to these applications.

Written comments must be submitted to the Secretary-Treasurer of the Committee. If any member of the public would like to be notified in writing of the Committee

of Adjustment's decision on a particular application they are to provide their name and mailing address to the Secretary-Treasurer at [clerk@westelgin.net](mailto:clerk@westelgin.net). This will also entitle you to be advised of possible Local Planning Appeals Tribunal hearings in the event the decision on an application is appealed.

Notice was sent via regular mail on January 9, 2026 to property owners within 60 m (200 ft) of the subject properties and to agencies requiring notice.

**6. Minor Variance D-12 2-2025**

**6.1 Planners Report**

**Moved:** Ryan Statham

**Seconded:** Bill Denning

That West Elgin Committee of Adjustment hereby receives the report from Robert Brown, Planner, regarding Minor Variance Application D-13 2-2025 – Recommendation Report (Planning Report 2026-02).

And that West Elgin Committee of Adjustment grant Minor Variance D-13 2-2025, to obtain relief from Section 24.1, Table 23-1, item 2, to reduce the minimum lot frontage from 30 m to 10 m, without conditions.

**Carried**

## **6.2 Written Comments Received**

None.

## **6.3 Public Comment**

David Neyens, abutting neighbour to the applicant property, spoke regarding the proposed use, and what the intended future use of the property will be. Mr. Brown indicated the current use is institutional, and confirmed a application has been received, but not deemed complete for the future requested use, however details will be forthcoming soon. Mr. Neyens also requested details about what protection measures would be in place for residential damage, if there is future construction.

Ben Puzanov, Planner, Thames Valley District School Board, advised Council that he agrees with the analysis and with the proposed recommendation.

## **6.4 Committee Comments**

None.

## **7. Minor Variance D-12 3-2025**

### **7.1 Planners Report**

**Moved:** Ryan Statham

**Seconded:** Bill Denning

That West Elgin Committee of Adjustment hereby receives the report from Robert Brown, Planner, regarding Minor Variance Application D-13 3-2025 – Recommendation Report (Planning Report 2026-03).

And that the West Elgin Committee of Adjustment grant Minor Variance D-13 3-2025, to obtain relief from Section 7.1, Table 7-1, item 2 to reduce the minimum lot frontage from 30 m to 12 m, without conditions.

**Carried**

### **7.2 Written Comments Received**

None.

**7.3 Public Comments**

None.

**7.4 Committee Comments**

None.

**8. Adjournment**

**Moved:** Taraesa Tellier

**Seconded:** Ryan Statham

That West Elgin Committee of Adjustment hereby closes this Public Meeting held pursuant the *Planning Act* at 4:34 pm.

**Carried**

**Municipality of West Elgin**  
**Notice of Public Meeting Concerning**  
**An Application for a Minor Variance**  
Pursuant to Section 34 of the *Planning Act*, R.S.O 1990

**Owners: Arvai Investments Inc./ Louis Arvai**  
**Location: 22295 Hoskins Line**  
**File: D13 2026-01**

**TAKE NOTICE** that the Municipality of West Elgin has received a complete application for a Minor Variance.

**AND TAKE NOTICE** that the Council of the Municipality of West Elgin will hold a public meeting:

**WHEN: Thursday, April 23<sup>rd</sup>, 2026, not before 4:00 p.m.;**

**WHERE: West Elgin Community Complex – 160 Main St. West Lorne;**

**PURPOSE: to consider a proposed Minor Variance.**

**THE PURPOSE AND EFFECT** of this application to seek relief from Section 20.1 General Industrial Zone to permit an increase in the maximum building height from 12.0 m to 15.0 m. In addition, relief is requested to increase the maximum lot coverage from 40% to 45%. Further relief is sought to reduce the required side yard width from 4.5 m to 3.0 m. The subject lands are legally described as Part of Lot 6, CON GORE WD, and municipally known as 22295 Hoskins Line.

The subject lands are designated within the **Rural Employment Area** in the Municipality of West Elgin Official Plan.

**Providing Comments**

Any person may attend the Public Meeting and/or make written or verbal representation either in support or in opposition to the proposed Minor Variance.

If you wish to attend the Public Meeting, we would ask that you contact the Municipal Planner, by email or by phone (listed below) no later than 12:00 p.m. on April 23<sup>th</sup>, 2026 as seating is limited. Written submissions regarding this application must be submitted to the attention of the Municipal Planner by email by no later than 12:00 p.m. noon on April 23<sup>th</sup>, 2026.

Please note that comments and opinions submitted on these matters, including the originator's name and address, become part of the public record, and may be viewed by the general public and may be published in a Planning Report, Council/Committee Agenda or Council/Committee Minutes.

If you rent your property to seven (7) or more tenants, please post a copy of this notice in a location on your property, which is visible to all the residents.

**Appeals**

**IF A PERSON OR PUBLIC BODY** would otherwise have an ability to appeal the decision of Council of the Corporation of the Municipality of West Elgin to the Ontario Land Tribunal but the person or public body does not make oral submissions at a public meeting or make written submissions to Council of the Corporation of the Municipality of West Elgin before the by-law is passed, the person or public body is not entitled to appeal the decision.

**IF A PERSON OR PUBLIC BODY** does not make oral submissions at a public meeting or make written submissions to Council of the Corporation of the Municipality of West Elgin before the by-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Land Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.

**NOTICE OF PASSING** all persons receiving this notice of public meeting will receive a copy of the notice of passing anyone not receiving a notice of public meeting wishing to receive a notice of passing of the Zoning By-law amendment, must make written request to the undersigned.

### **Additional Information**

**Additional Information** relating to the proposed amendment is available between 8:30 a.m. and 4:30 p.m. at the Municipal Office from the Municipal Planner as well as the website at:

[www.westelgin.net/current-planning-applications](http://www.westelgin.net/current-planning-applications)

The information and material required under Sections 34(10.1) and 34(10.2) of the Planning Act have been provided and this shall serve as sufficient notice of same under Section 34 (10.4) of the Act.

Dated at the Municipality of West Elgin this 24<sup>th</sup> day of March 2026.

## Staff Report

---

**Report To:** Committee of Adjustment

**From:** Evan McKinstry, Jr. Planner, County of Elgin

**Date:** 2026-04-23

**Subject:** Minor Variance Application D-13 2026-01 – Recommendation Report  
(Planning Report – 2026-10)

---

### **Recommendation:**

That West Elgin Committee of Adjustment hereby receives the report from Evan McKinstry, Junior Planner, regarding Minor Variance Application D 13 2026-01 – Recommendation Report (Planning Report 2026-10).

And that the West Elgin Committee of Adjustment grant the requested Minor Variance to obtain relief from section 20 Table 20-1 General Industrial (M1) Zone Standards to permit an increase in the maximum building height from 12.0m to 15.0m. In addition, relief is requested to increase the maximum lot coverage from 40% to 45%, Further relief is sought to reduce the requested side yard width from 4.5m to 3.0m.

### **Summary:**

- The requested minor variance is intended to facilitate the proposed industrial plant expansion, specifically permitting an increase in building height, an increase in lot coverage, and a reduction in the easterly interior side yard setback.
- The proposal complies with all other provisions of the Zoning By law 2015-36.

### **Purpose:**

The purpose of this report is to provide the Committee of Adjustment with background information to support the recommendation to approve Application D 13 2026-01 for Minor Variance following the Public Hearing scheduled for April 23<sup>rd</sup>, 2026.

The subject lands are located at 22295 Hoskins Line and are legally described as Part of Lot 6 CON GORE WD, in the Municipality of West Elgin. The subject lands are highlighted in figure 1.

The subject lands have a frontage of 154m, depth of 219m and are approximately 20.09 ha in total area. The lands are designated Rural Employment on Schedule '4' of the Municipality of West Elgin Official Plan and zoned General Industrial (M1) on Map '37' of the Municipality of West Elgin Zoning By-Law 2015-36. The subject lands are currently occupied with an existing industrial building used for pre-cast concrete manufacturing. The lands are surrounded by Agriculture, Industrial and Commercial land uses.

The subject lands were previously subject to a Zoning By-law Amendment (File No. D 14-10-2025) and Consent Application (File No. E 52-25). These applications added lands to the rear of the property through a lot addition and rezoned the property to a General Industrial Zone to better recognize the existing and future use of the site.

**Consultation:**

### Statutory Notice Requirements

The Notice of the Public Hearing was provided in accordance with the provisions of the Planning Act. Property owners within 60m of the subject lands were provided notice by hand delivery. Applicable persons and public bodies were provided notice of the Public Hearing and a request for comments via email. Signage advising of the date of the Public Hearing, as well as the purpose and effect of the application, was placed on the subject property.

### Public and Agency Comments

At the time of the writing of the report, no comments or concerns have been received from Public Agencies or surrounding property owners.

### Municipal Comments:

At the time of the writing of this report, no concerns were raised by Municipal staff.

### Policies/Legislation:

**This analysis is provided prior to the Public Hearing. Should new information arise regarding this proposal, the Committee of Adjustment is advised to take such information into account when considering the recommendation provided by Municipal Staff.**

Application for Minor Variance was reviewed with consideration to the *Provincial Planning Statement (2024)*, Elgin County Official Plan, Municipality of West Elgin Official Plan, and the Municipality of West Elgin Zoning By-Law 2015-36. A summary of the applicable planning policies and regulations is provided.

	Section(s)	Relevant Policy Direction
<b><i>Provincial Planning Statement, 2024</i></b>	Section 2.8.2 Employment Areas	<ul style="list-style-type: none"> <li>The subject property is located within a Rural Employment Area, where the <i>Provincial Planning Statement</i> directs that authorities shall protect and preserve lands for both current and future employment uses.</li> <li>The proposed minor variance is consistent with the <i>Provincial Planning Statement</i>, as it supports the efficient use and development of designated employment lands.</li> </ul>

<b>Elgin County Official Plan</b>	Section 5.18 Existing Designated Areas of Non-agricultural Uses	<ul style="list-style-type: none"> <li>• The County of Elgin Official Plan supports and preserves existing designated employment lands in local official plans, even if they aren't explicitly mapped at the County level.</li> </ul>
<b>Municipality of West Elgin Official Plan</b>	Section 3.3.9.2 Rural Employment Lands	<ul style="list-style-type: none"> <li>• The Minor Variance conforms to West Elgin's Official Plan vision for Rural Employment Lands by enabling additional non-residential development that contributes to municipal employment growth, while conforming with the land's employment designation.</li> </ul>
<b>Municipality of West Elgin Zoning By-law 2015-36</b>	Section 20 General Industrial Zone	<ul style="list-style-type: none"> <li>• Requires a maximum building height of 12m.</li> <li>• Requires a maximum lot coverage of 40%.</li> <li>• Requires a side yard setback of 4.5m.</li> </ul>

**Minor Variance:**

The Applicant is requesting relief from the following provisions of the Zoning By-Law:

**Section 20 Table 20-1 General Industrial (M1) Zone Standards- To permit an increase in the maximum building height from 12.0m to 15.0m. In addition, relief is requested to increase the maximum lot coverage from 40% to 45%, Further relief is sought to reduce the requested side yard width from 4.5m to 3.0m**

**Four Tests of the Minor Variance:**

Section 45(1) of the *Planning Act* gives the authority of granting minor relief from the provisions of the Zoning By-law to the Committee of Adjustment. Such relief can only be granted if the Minor Variance passes four tests. If the Committee is not satisfied on all four tests, then the Minor Variance cannot be approved.

**1. Does the variance maintain the intent and purpose of the Municipality of West Elgin Official Plan? Yes**

The subject lands are designated Rural Employment on Schedule '4' of the Municipality of West Elgin Official Plan. The requested minor variance conforms with the policies of the Official Plan, as it facilitates the appropriate expansion of an existing industrial use within the designated Rural

Employment Lands. The proposed variances support the efficient use of the Municipality's limited employment lands and align with the Official Plan's objective of promoting employment growth within established employment areas, ensuring that development occurs in a manner that reinforces the Municipality's long-term economic and land use goals.

**2. Does the variance maintain the intent and purpose of the Municipality of West Elgin Zoning By-law? Yes**

The subject lands are zoned General Industrial (M1) on Map "37" of the Municipality of West Elgin Zoning By-Law 2015-36. The General Industrial Zone applies to lands designated 'Industrial' in the West Elgin Official Plan or lands used for Industrial purposes within the Municipality. The proposed expansion seeks to increase the permitted height of the expansion building, increase the permitted lot coverage and increase the permitted setback distance.

The proposed increase in building height is required to accommodate the installation of an overhead crane necessary for the internal movement of materials within the facility. The requested relief seeks to permit a maximum building height of 15.0 m, whereas 12.0 m is currently permitted. This increase maintains the intent of the Zoning By-law, as it does not alter the permitted industrial use of the property and continues to support the functional requirements of the existing operation.

The proposed increase in lot coverage is necessary to accommodate the building addition, with relief requested to permit a maximum lot coverage of 45%. Despite this increase, the site continues to provide sufficient area for required parking, private servicing systems, stormwater management, and landscaped open space. As such, the proposal maintains the general intent of the Zoning By-law, as the property can continue to function appropriately as an industrial lot while supporting all necessary site elements and infrastructure.

The proposed reduction in the easterly side yard setback is required to align with the existing building footprint. Due to the irregular configuration of the lot, the easterly property line is not parallel to the structure, resulting in the need to reduce the setback from 4.5 m to 3.0 m. The requested relief maintains the general intent of the Zoning By-law, as it accommodates the existing development pattern while continuing to support the permitted industrial use. Furthermore, the reduced setback is not anticipated to create adverse impacts and remains compatible with the surrounding commercial and agricultural land uses.

The requested Minor Variance supports the Municipalities objectives for further developing existing Rural Employment Lands and therefore upholds the overall intent of the Zoning By-law.

**3. Is the variance requested desirable for the appropriate and orderly development and use of the lands and buildings? Yes**

The subject property is designated Rural Employment Lands, and the proposed expansion does not alter the existing Industrial use of the lands. The development represents an appropriate and efficient use of land within the designated area, supporting the intended function of these lands

for employment-generating activities. The surrounding land uses consist primarily of agricultural and commercial uses; the proposed development is considered compatible and appropriate within this context. Furthermore, the site's close proximity to Highway 401 provides suitable access for the transportation of manufactured goods, reinforcing the appropriateness of the proposed expansion in this location.

#### **4. Is the variance minor in nature? Yes**

While the *Planning Act* does not contain a definition of what is considered minor, the effects on the existing area and planning principles should be considered. In this instance, the proposed minor variance seeks relief to permit an increase in the maximum building height from 12.0 m to 15.0 m, an increase in maximum lot coverage from 40% to 45%, and a reduction in the required side yard setback from 4.5 m to 3.0 m.

The requested reliefs being a 3.0 m height increase, a 5% increase in lot coverage, and a 1.5 m reduction in side yard setback represent modest numerical changes that do not materially alter the scale or character of the development relative to the subject property or surrounding lands. The proposed expansion otherwise complies with all applicable zoning provisions and setback requirements.

Accordingly, the requested variances are considered minor in nature, as they constitute limited deviations from the Zoning By-law standards, maintain the general intent and purpose of both the Official Plan and Zoning By-law, and are not anticipated to result in adverse impacts on the surrounding area.

#### **Conclusion:**

Subject to receiving further questions and comments from the Committee of Adjustment and members of the public, staff is in a position to state that the application, as proposed:

- i. Is in keeping with the general intent of the Official Plan.
- ii. Is in keeping with the general intent of Zoning By-law 2015-36, as amended, for the Municipality of West Elgin.
- iii. Is desirable and will result in the appropriate development of the area.
- iv. Is minor in nature not causing any adverse impact that may result from granting this application

Upon the Committee of Adjustment making a decision, the required Notice of Decision for the Minor Variance will be circulated within 15 days of the meeting. There is a 20-day appeal period during which objections to the decision can be submitted to the Ontario Land Tribunal.

The Committee of Adjustment should be able to demonstrate why the application does or does not meet the four tests for a minor variance under the Planning Act and state those reasons in making a decision.

#### **Financial Implications:**

The applicable fee was collected as outlined in the Fees and Charges By-law. There will not be any change in the assessment value of the property as a result of the requested variance.

**Alignment with Strategic Priorities:**

<b>Infrastructure Improvement</b>	<b>Recreation</b>	<b>Economic Development</b>	<b>Community Engagement</b>
<input checked="" type="checkbox"/> To improve West Elgin’s infrastructure to support long-term growth.	<input type="checkbox"/> To provide recreation and leisure activities to attract and retain residents.	<input checked="" type="checkbox"/> To ensure a strong economy that supports growth and maintains a lower cost of living.	<input type="checkbox"/> To enhance communication with residents.
