5. Business Arising from Minutes

Taraesa talked with the local high school regarding making fire pits - they have expressed they would like to help with this starting in the fall when school starts again.

Cindy asked Jenna about the youth drop-in program. Jenna explained how herself and Kaitlyn from WECHC are working on it together to host a day camp style program at the Rodney Recreation Centre on the October PD Day and April PD Day. Looking into how we have to go about submitting a report to request for waiver of fees so attendance can be free.

A pooch plunge date was also discussed - finalize this and share back with the group.

6. Items of Discussion

6.1 Budget

Emma went through the budget. She explained various sections within the Parks and Recreation budget. Including programming, municipal programs, reserves, equipment purchases, and pool costs. Cindy asked about the money that was existing to be put towards new equipment purchases. Taraesa asked about price about recreation vehicle. Emma answered all the questions that were asked.

6.2 Movie Night

Jenna explained how the fee for 375.00 was just for one movie - to own one single title and play it as many times during a one-year period. Since we want to do this on an occurring basis - it is better to look into options that allow for various movies to be played. The committee agreed and asked Jenna to possibly look into another company and compare prices. A tentative date was set to do this on the last weekend on August 30th / 31st. Starting in West Lorne at the pavilion or on the side of the Arena. Taraesa and Bill said they would be around, but Karen is usually away up north during this time.

6.3 Canada Day

Jenna gave a brief update on Canada day plans. Everything is underway to begin around lunchtime on July 1st, 2026.
